INDUSTRIAL HYGIENE SERVICES

SCOPE OF SERVICES

Industrial Hygiene (IH) services are non-clinical based (outpatient) services mandated to establish compliance with federal Occupational Safety and Health workplace laws and Department of Defense (DoD) Regulatory Guidance on workplace health hazards. Services are provided to all DoD military and civilian personnel assigned to Fort Gordon, Georgia with a focus on military readiness. Additionally, dependent family members living in Family Housing may access IH services on a case-by case basis via Directorate of Public Works–Family Housing Section
